Nexus SME Toolbox

Life Science SMEs often have a very limited budget for legal compliance after the costs of IP protection - this seminar aims to help organisations to identify and manage the other key legal risks which are likely to arise for young life science companies.

Three speakers from Burness will speak on three key areas of legal compliance relevant to life science organisations:

- Contracts: How to Minimise Legal Risk
- Managing Employee Issues
- The Companies Act 2006 - Is Your House in Order?
