Connecting and communicating life sciences in Scotland

## *First Meeting of the Glasgow Orthopaedic Research Initiative (GLORI)*

**Thursday 6th May 2010, 9.10am - 4.00pm  
Wolfson Medical School Building, University of Glasgow**

*Nexus invites you to attend the inaugural meeting of GLORI. This day long meeting will showcase both clinical and academic research for the Orthopaedics field in Glasgow, and also present an excellent networking opportunity for clinicians and academics central to the field to meet and discuss potential collaborations.*

*Keynote speakers include **Professor Tim Briggs**, Royal National Orthopaedic Hospital Trust, Stanmore and **Professor Hamish Simpson**, University of Edinburgh.*

For further information and to express interest in attending this free event, see
