

Nexus Pub Quiz

Shrug off those autumn blues and give your brain a good work out at the Nexus Pub Quiz in the informal setting of the Victorian Bar at the Tron Theatre in Glasgow.

You can put a team together or come as an individual and we can organise you into teams, as all are welcome. But remember to register all your team members.

Our Quizmaster for the evening is the 'Quiz Inquisitor' – famed for his challenging, entertaining and compelling quizzes. He is the regular quizmaster at the Clockwork Pub in Cathcart and has been puzzling punters for over 15 years with his vast array of interesting and varied questions.

So, come and enjoy a complimentary beer or glass of wine (soft drink if you prefer) and see if your team can achieve the highest score. A light buffet will be served midway through the evening and a bar will be available if you wish to purchase additional drinks throughout the evening.
