

# nexus *Life-Sci Visions* competition

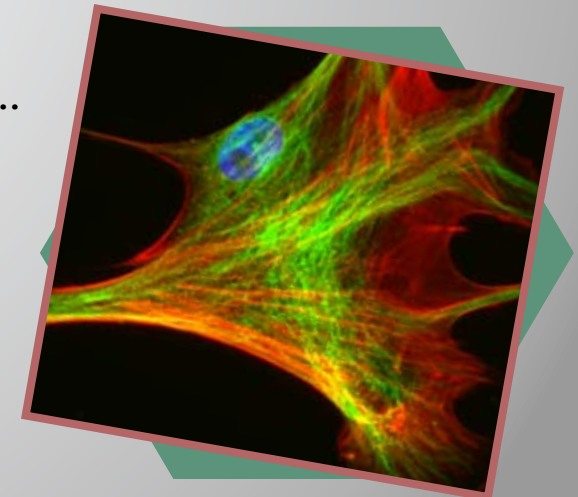

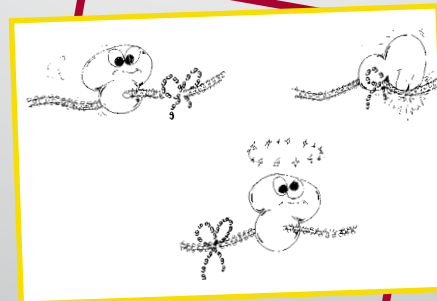

Win  
£100 Amazon gift  
vouchers

**WHAT'S YOUR VISION OF LIFE SCIENCES ????**

*Whatever it is and whatever medium you'd like to present it in - oils, pastels, watercolour, photographic, pencil, crayon, collage, ink etc - then we'd like to see your representation of it in this first ever Nexus "Art meets Science" competition*

Prizes of £100 Amazon gift vouchers will be awarded to each of the 6 prize-winning entries which will appear for 2 months on the Nexus 2008 calendar.

Please see overleaf for more competition details.....

**nexus**  
The West of Scotland BioScience Network

Nexus, the West of Scotland BioScience Network, promotes and supports research excellence, innovation and knowledge transfer within the life science community in the West of Scotland. Nexus was founded by the European Regional Development Fund, the Scottish Enterprise Network, Glasgow City Council and the University of Glasgow. Additional funding is provided by Glasgow Caledonian University, The University of Paisley, The University of Strathclyde, East Dunbartonshire Council, Renfrewshire Council, West Dunbartonshire Council and NHS Greater Glasgow.
